(c) A refund owed under this section must be paid not later than the 30th day after the date the student becomes eligible for the refund.

**RETURN TO TITLE IV/REFUND REPAYMENTS POLICY**

This policy applies to all recipients of Federal Title IV Financial Aid Funds. Students that are no longer attending the school may still owe funds to the school to cover unpaid tuition. Additionally, the school may attempt to collect any funds from a student that the school was required to return as a result of this policy.

The school is required to calculate how much federal aid may be retained or disbursed for a student who withdraws prior to the end of a payment period. The calculated amount is referred to as "Return of Title IV Funds" (R2T4). The calculation of Title IV Funds earned by the student has no relationship to the student’s tuition and fees that may be owed to the school. All students subject to this policy are determined according to the following definitions and procedures, as prescribed by regulation.

The school has 45 days from the date the school determines the students withdrew to return all unearned funds for which it is responsible. The school will notify the student in writing of the amount of funds that must be returned. The school will advise the student and/or parent that they have 14 calendar days from the date the school sent the notification to accept a post-withdrawal disbursement for funds that have not been disbursed but are eligible to be used for tuition and fees. If a response is not received from the student and/or parent within the permitted time frame or the student declines the funds, the school will return any earned funds being held from Title IV Programs. All post-withdrawal disbursement must occur within 90 days of the date the student withdrew.

**WITHDRAWAL BEFORE 60%**

The school must perform a R2T4 to determine the amount of earned aid up through the 60% point in each payment period and use the Department of Education’s prorate schedule to determine the amount of R2T4 funds the student has earned at the time of withdrawal. After the 60% point in the payment period or period of enrollment, a student has earned 100% of the Title IV funds he or she was scheduled to receive during the period.

**WITHDRAWAL AFTER 60%**

For a student who withdraws after the 60% point-in-time, there are no unearned funds. However, the school will still calculate eligibility for a post-withdrawal disbursement.
CALCULATING R2T4
Title IV Funds are earned in a prorated manner on a per diem clock hour’s basis up to the 60% point in the payment period. Title IV Aid is viewed as 100% earned after that point in time. The school is required to determine the earned and unearned Title IV Aid as of the date the student ceased attendance based on the amount of time the student was scheduled to be in attendance.

In accordance with Federal Regulations, when Title IV Financial Aid is involved, the calculated amount of the R2T4 Funds is allocated in the following order: Unsubsidized Direct Loans, Subsidized Direct Loans and Direct PLUS loans, followed by Federal Pell Grants. The calculation steps are outlined in the following example:

1. Calculate the percentage of Title IV Aid earned by the student.
   \[ \frac{18 \text{ (completed days)}}{118 \text{ (scheduled days)}} = 15.3\% \text{ (% of completed calendar days within the payment period)} \]

2. Calculate the dollar amount of Title IV Aid earned by the student.
   \[ 15.3\% \times \$2,805.00 = \$429.17 \text{ (Amount of aid earned by student)} \]

3. If this amount is greater than the total Title IV Aid disbursed for the payment period, a Post-Withdrawal Disbursement will be calculated; if the amount is less than the amount of Title IV Aid disbursed, the difference will be returned to the Department of Education.

POST WITHDRAWAL DISBURSEMENT
If a student earned more aid than was disbursed to him/her, the institution may owe the student a post-withdrawal disbursement which must be paid as soon as possible but no later than 90 days from the date the school determined the student withdrew for loans and no later than 45 days from the date the school determined the student withdrew for grants. The school is required to notify the student in writing within 30 days of the date it determined that the student withdrew that he/she is eligible for a post-withdrawal disbursement of Title IV Loan Funds.

However, if the student (or parent in the case of a PLUS Loan) is eligible to receive a post-withdrawal disbursement of loan funds, the student or parent borrower must first confirm in writing whether he/she accepts/declines all or some of the loan funds offered as a post-withdrawal disbursement. A post-withdrawal disbursement of Federal Grant Funds does not require student acceptance or approval and the grant funds may be applied directly to the student’s account in order to satisfy tuition and fees, or to the student. The school will seek the student’s authorization to use a post-withdrawal disbursement for all other educationally-related charges in addition to tuition and fees.

The school is required to return the amount of Title IV Funds for which it is responsible no later than 45 days after the Date of the Determination of the date of the student’s withdrawal.

OVERPAYMENTS
Any amount of the unearned grant funds that a student must return directly is called an overpayment. The amount of a grant overpayment that you must repay is half of the grant funds you received or were scheduled to receive. You must make arrangements with the school and/or the Department of Education to return the unearned grant funds, failure to do so will result in no additional Title IV Aid.

OFFICIAL WITHDRAWALS
To officially withdraw from the school, the student must initiate the withdrawal process by contacting the School Director. The school’s Cancellation & Refund Policy and RT24 will apply to withdrawn students in accordance with the date provided on the written withdrawal notice and will be effective the date the notice is received.
UNOFFICIAL WITHDRAWAL
Termination of a student is defined as no longer attending and is absent for 10 calendar days, whether by the student’s voluntary withdrawal or dismissal by the school as disciplinary action; the last date of attendance will be used for the Cancellation & Refund Policy and RT24 calculations.

LEAVE OF ABSENCE
A student may request a Leave of Absence (LOA). Prior to the start of the leave, a student must request the leave in writing. This leave is granted at the discretion of the administrative staff. Reasons approved for leave may include illness of student or immediate family member, auto accident, maternity leave, as well as other reasons not listed.

The request for leave must be signed and accompanied by documentation supporting the need for the Leave of Absence. Such documentation may include an explanation of existing circumstances from a doctor, lawyer, or counselor citing need for the Leave of Absence. In the event the student cannot make the request in advance (i.e., due to a car accident or other unforeseen circumstance), then the school may still allow a leave. The beginning of the leave will be determined as the first date the student was unable to attend the institution due to the unforeseen circumstance and an end date will be noted that will not exceed the 180 day maximum.

A student who has been absent from school and has been granted a Leave of Absence by the school is not considered to have withdrawn from school. If approved, the official leave will extend the contract period by the same number of days designated in the leave document or actually used by the student. No re-entry fee will be charged if the student returns to class on or before the first class day scheduled after the termination of the Leave of Absence. The Leave of Absence and any additional approved leaves of absence may not exceed a total of 180 days in any twelve-month period.

The Leave of Absence involves no additional charges by the school to the student, the enrollment agreement will be automatically extended by the length of the LOA, and the student agrees to re-enter on the designated date. The student will be dropped as of the last day of attendance should they not return from the LOA. The school’s refund policy will be in effect, and any outstanding balance due the school will be due immediately.

FERPA also authorizes disclosure of this information without the student’s consent under certain circumstances. Directory information will be provided to the public upon request unless the student files a request with the school asking to be excluded from the directory or from any other requests for open directory information from outside entities. A student may update access to their information by contacting a school employee and filing a request to be excluded from the directory or from any other requests for open directory information.
According to FERPA, some non-directory student records may not be released without prior written consent from the student. A record is any information recorded in any way, including but not limited to handwriting, print, tape, film, microfilm, microfiche, and digital image. Educational records are all records that contain information that is directly related to a student and that are maintained by an educational agency or institution or by a party acting on its behalf. Educational records do not include the following:

- Sole possession records (those records kept in the sole possession of the maker which are used only as a personal memory aid and are not accessible or reviewed by any other person except a temporary substitute for the maker of the record)
- Medical or psychological treatment records that include but are not limited to records maintained by physicians, psychiatrists, and psychologists
- Employment records, provided that employment is not contingent upon being a student
- Law enforcement records

The school will disclose information from a student’s education record without the written consent of the student to staff members who require access to educational records in order to perform their legitimate educational duties; officials of other schools in which the student seeks or intends to enroll; and in connection with a student’s application for, or receipt of, financial aid; and state, federal, and accrediting agencies as required.

Under FERPA, students have a right to see, inspect and request changes to their educational records. Upon request, the School shall provide a student access to his or her educational records except for financial records of the student's parents or guardian; and confidential letters of recommendation where the student has signed a waiver of right of access. Educational records covered by FERPA normally will be made available within ten (10) days of the request. All records are to be reviewed by students in the presence of a staff member. The contents of a student's educational records may be challenged by the student on the grounds that they are inaccurate, misleading, or otherwise in violation of the privacy rights of the student by submitting a written statement to the school.

It is the policy of the school that it will maintain the FERPA disclosure code in effect at the time of a student’s last term of enrollment for former students. Furthermore, the school will honor a request from a former student, not re-enrolled, to add or delete a non-disclosure request.

FERPA rights cease upon death. However, it is the policy of the school that no records of deceased students be released for a period of five (5) years after the date of the student’s death, unless specifically authorized by the executor of the deceased’s estate or by next of kin.

If students believe that their FERPA rights have been violated, they may contact the Family Policy Compliance Office at the Department of Education, 400 Maryland Ave SW, Washington DC 20202-5920. Additional information is available at www.ed.gov/policy/gen/guid/fpco/.

**PARENT RIGHTS UNDER FERPA**

At the post-secondary level, parents have no inherent right to access or inspect their son’s or daughter’s educational records, including final grades, grades on exams, and other information about academic progress. This information is protected under FERPA and parents do not have access to it unless the student has provided written authorization, or unless the student is a dependent as defined in Section 152 of the Internal Revenue code of 1954.

Students can give written permission of access to their educational record by completing the Privacy Release Authorization Form and remitting it to the school director.
In emergency or crisis situations, the school may release non-directory information if the institution determines that the information is necessary to protect the health or safety of the student or other individuals.

**ATTENDANCE POLICY**

The student agrees to be punctual and will not, except for emergency or medical reasons, be excused from school. A student will be terminated when absent for 10 consecutive calendar days. The school will attempt to contact the student before termination.

**TARDINESS**

All students are expected to attend on their regularly scheduled time. Theory is given every morning and class assignments are scheduled daily. You must speak to your instructor when arriving late to class or late for your student salon and student spa services. Please meet with
your instructor to become familiar with the class schedule. All students will be allowed to attend the rest of the day as long as they have permission granted by their instructor.

If you are running late from your regularly scheduled time, you must notify the school so your instructor and your clients are notified. If the client wishes he/she will be assigned to another student to accommodate their time. All students will be allowed to attend the rest of the day as long as they have permission granted by their instructor.

**EXCUSED VS UNEXCUSED ABSENCES**

Every student gets extra time worked into his or her schedule. There is no excused vs. unexcused absence policy in the traditional sense.

**MAKE-UP WORK**

If you miss a test, typically it can be made up on the following Monday; however, you will need to make arrangements with your instructor.

**SATISFACTORY ACADEMIC PROGRESS POLICY (SAP)**

**GENERAL INFORMATION/DETERMINATION OF PROGRESS**

The following policy is applicable to all students enrolled. It is applied consistently to all students in a program and attendance schedule (i.e., full-time or part-time). It is provided prior to enrollment so that applicants can understand the SAP requirements. SAP will be measured at the following scheduled hours to ensure that an evaluation occurs no later than the midpoint of the academic year or the course, whichever occurs sooner:

- **Cosmetology - 450, 900 and 1200 Hours**
- **Esthetics - 150 and 375 Hours**
- **Instructor - 150 and 375 Hours**

Students are provided with access to the SAP evaluations at the designated intervals.

Course incompleteness, repetition, non-credit remedial courses have no effect on SAP.

**QUALITATIVE REQUIREMENT**

1. Maintain a cumulative academic average of 70% or better at the end of each progress report period. The school uses the following grading scale:

   - 90 - 100 A
   - 80 - 89 B
   - 79 - 70 C
   - 69 - BELOW STANDARDS - UNSATISFACTORY

2. Students enrolled in an educational program of more than two academic years must have a cumulative GPA of a 70%/C or higher and/or the ability to graduate in order to receive Title IV Funds.

**QUANTITATIVE REQUIREMENT**

1. All students must attend 67% of the scheduled hours of attendance to be in compliance.
2. Students must complete his/her educational program in no longer than 150% of the published length of the program as measured in clock hours as determined by the program.
LOSING AND REGAINING ELIGIBILITY

FINANCIAL AID WARNING STATUS
A student who meets the minimum requirements for attendance and academic performance are considered to be making satisfactory academic progress until the next scheduled evaluation. A student deemed as not making SAP at the reporting period will be automatically placed in a Financial Aid Warning Status and the student will be notified in writing of any potential impact to financial aid, if applicable. At this point, no action is required by the student and they may continue to receive Title IV Funds for one additional payment period. Students who are making SAP at the next reporting period are considered as meeting SAP and have regained full eligibility. Those who are not making SAP may be placed on Financial Aid Probation Status (see details below).

FINANCIAL AID PROBATION STATUS
The school may allow for the status of probation for students who are not considered meeting SAP requirements if:

(a) The institution evaluates the student’s progress and determines that the student did not make SAP during the warning period
(b) The student prevails upon appeal of a negative progress determination prior to being placed on probation
(c) The institution determines the SAP standards can be met by the end of the subsequent evaluation period
(d) The institution develops an academic plan for the student that, if followed, will ensure that the student is able to meet the SAP requirements by a specific point within the maximum time frame established for the individual student.

Students who are making SAP at the next reporting period are considered as meeting SAP and have regained full eligibility. Those who are not making SAP will be ineligible to receive Title IV Funds. A student must meet SAP prior to having eligibility reinstated.

APPEAL PROCESS
If a student wishes to appeal a negative SAP determination for the possibility of being placed on probation, the student must submit a written request. The reasons for which a student may appeal include death of a relative, an injury or illness of the student or other allowable special circumstances. The student must submit any applicable documentation and explain what has changed in the student’s situation that will allow the achievement of SAP at the next evaluation. The results of the appeal will be documented and placed in the student’s file.

REINSTATEMENT OF AID
Reinstatement of aid is limited to the payment period under evaluation. Prior payment periods in which the student was determined ineligible for aid will not be included in the student’s reinstatement of eligibility. A student may be paid Title IV funds for the payment period in which he/she resumes satisfactory academic progress. A student who does not achieve the minimum standards is no longer eligible for Title IV funds, if applicable, unless the student is on warning or has prevailed upon appeal of the determination that has resulted in the status of probation as described above.

LEAVE OF ABSENCE AND RETURNING STUDENTS
If enrollment is temporarily interrupted for a Leave of Absence (LOA), the student will return to school in the same progress status as prior to the LOA. Hours elapsed during a LOA will extend the student’s contract period and maximum time frame by the same number of days taken in the LOA and will not be included in the student’s cumulative attendance percentage calculation.
Students who fail to return from an LOA will have an unofficial withdrawal on the date they were scheduled to return from the LOA.

TRANSFER HOURS AND SAP
Transfer hours from another institution that are accepted toward the student’s educational program are counted as both attempted and completed hours for the purpose of determining when the allowable maximum time frame has been exhausted. SAP evaluation periods are based on actual contracted hours at the institution.

- Refusal of a client is grounds for immediate dismissal for the day.
- Refusing a client in a salon spa environment encourages bad habits and decreases your opportunities for potential income.
- Your style is the key to effective service. You must convey to your client that you are there for them and them alone. Make your client feel important. Never ignore or react as though you are not willing to go that extra mile or two for them. Listen to what you client wants and needs, then suggest/recommend but don’t insist.
- Leave your problems, bad days, and bad attitudes outside the school doors. This is to be a friendly and relaxing atmosphere for both you and your clients.

Students are advised to evacuate the premises in an orderly fashion and it is mandatory that all students meet at the end of the parking lot at the corner of Coria and Wildrose (the furthest point from the building) where the school will conduct a roll call to establish every student has evacuated the building. Students will be notified by school personnel when it is safe to return. In the event of an emergency call 911 immediately and notify the school director if possible.

It is the student’s responsibility to:

TITLE IV
A current year FAFSA (Free Application for Federal Student Aid) is required to be completed prior to a determination of eligibility for all Title IV funds and prior to each new award year. Directions to complete this application, an MPN (Master Promissory Note), and Entrance Counseling are located on the “Directions to Apply for Federal Student Aid”, the US Department of Education’s annual publication of “Funding Education Beyond High School: The Guide to Federal Student Aid” and Direct Loan Basics for Students” available in the Student Resource Center and/or Financial Aid Office; or:
FAFSA Information Center ........................................1-800-433-3243

The school currently participates in the Pell Grant, Stafford Direct Loan and Parent PLUS Direct Loan programs. The school does not coordinate but will certify veterans, state, local government and private funding sources.

Need Based Aid (Pell Grant and Stafford Subsidized Loan) Calculation:
COA (Cost of Attendance) - EFC (Expected Family Contribution) = Need Eligibility

Non-Need Based Aid (Unsubsidized Stafford and Parent PLUS Loan) Calculation:
COA - EFA (Expected Financial Assistance/all other aid) = Non-Need Eligibility

COA = Budget - each student receiving an Award Letter estimating Title IV Eligibility will be assigned a Budget. The COA includes the following items: Tuition & Fees, Room and Board, Transportation, Misc/Petersonal, Books/Supplies and Other items such as special circumstances or expenses related to disabilities.

The school does not offer private education/institutional loans, nor does the school have preferred lender arrangements. Should a student insist on seeking a Private Educational Loan, loan certification will only be provided after a student has demonstrated need and exhausted all Federal Student Aid eligibility and a Private Education Loan Application Self-Certification must be completed.

The school does not employ enrolled students.

Students who borrow a Stafford Loan while attending the school must complete Direct Loan Entrance Counseling before funds will be certified.

Exit Counseling must be completed by all students who receive Title IV Direct Loans before graduating or withdrawing from school. If a student is unavailable to complete at the school a package a Direct Loan Exit Counseling Guide will be mailed to them for completion.

Counseling may be provided in person (individually or in groups), using audiovisual materials US Department of Education Publications and/or online. Student borrowers should be advised to complete online exit counseling or come to the counseling session at the school shortly before graduating, or ceasing at least half-time enrollment.
Due to a class size fewer than 50 students the school does not release the gender and ethnicity of enrolled, full-time students who are enrolled or receive Title IV; doing so would lead to individually identifiable student recipients and violate their right to privacy. In addition to information published in this catalog details on Student Body Diversity, Federal Student Aid Recipient Details and Program Costs can be found on the College Navigator Website at www.nces.ed.gov/collegenavigator.

NSLDS (National Student Loan Data System) is available at www.nslds.ed.gov where borrower’s loan history can be reviewed. Students without Internet access can identify their loan holder by calling 1-800-4-fed-aid. The borrower will be made aware that the information on the NSLDS site is updated by schools and the Department of Education and may not always have the most current information available. Information is accessible by guaranty agencies, lenders, and institutions determined to be authorized users of the data system.

The Ombudsman’s office is a resource for borrowers when other approaches to resolving student loan problems have failed at 1-877-557-2575.

CONSTITUTION DAY
The school celebrates Constitution Day on or near September 17 of each year as required www.constitutionday.com.

VOTER REGISTRATION
Students are encouraged to register and vote in state and federal elections. Voter Registration and Election Date information for the State of Texas can be found at: www.sos.state.tx.us.

The Elections Division of the Secretary of State’s Office is open from 8:00 a.m. until 5:00 p.m. weekdays. The Elections Division is also open during the hours that the polls are open on all uniform election dates (2nd Saturday in May and 1st Tuesday after the 1st Monday in November), on the primary and primary runoff election dates (1st Tuesday in March of even-numbered years and 2nd Tuesday in April following the primary), and the dates on which special statewide and federal elections may be ordered. Answers to questions on election law and procedures may be obtained by telephoning the Elections Division toll-free at 1.800.252.VOTE (8683) or direct at 512.463.5650.

To be eligible to register to vote in Texas, a person must be:

- A United States citizen
- A resident of the Texas county in which application for registration is made
- At least 18 years old on Election Day
- Not finally convicted of a felony, or, if so convicted must have (1) fully discharged the sentence, including any term of incarceration, parole, or supervision, or completed a period of probation ordered by any court or (2) been pardoned or otherwise released from the resulting disability to vote
- Not determined by a final judgment of a court exercising probate jurisdiction to be (1) totally mentally incapacitated or (2) partially mentally incapacitated without the right to vote

Registering to vote is easy in Texas. Official applications to register to vote are postage-paid by the State of Texas. In most Texas counties, the County Tax Assessor-Collector is also the County Voter Registrar. In some counties, the County Clerk or County Elections Administrator registers voters. You may obtain an application from the school, the Secretary of State’s Office, libraries, many post offices, or high schools. Or, you may download an informal application, but you will
be required to affix a stamp before mailing. You may also register to vote when you apply for or renew your driver’s license.

The application must be received in the County Voter Registrar’s office or postmarked 30 days before an election in order for you to be eligible to vote in that election. You will receive a voter registration certificate in the mail after the County Voter Registrar has processed your voter registration application. Upon receipt of the voter registration certificate, sign it, fold it and keep in it in your wallet and take it to the polls with you when you vote.

All voters who registered to vote in Texas must provide a Texas driver’s license number or personal identification number issued by the Texas Department of Public Safety or the last four digits of your social security number. If you have not been issued any of these numbers, then you must state that fact on the application by checking the designated box.

A voter who has not been issued a driver’s license or social security number may register to vote, but such voter must submit proof of identification when presenting himself/herself for voting or with his/her mail-in ballots, if voting by mail. These voters’ names are flagged on the official voter registration list with the annotation of “ID.” The “ID” notation instructs the poll worker to request a proper form of identification from these voters when they present themselves for voting. Acceptable identification includes:

- Driver’s license or personal identification card issued to the person by the Department of Public Safety or a similar document issued to the person by an agency of another state, regardless of whether the license or card has expired
- Form of identification containing the person’s photograph that establishes the person’s identity
- Birth certificate or other document confirming birth that is admissible in a court of law and establishes the person’s identity
- United States citizenship papers issued to the person
- United States passport issued to the person
- Official mail addressed to the person by name from a governmental entity
- Copy of a current utility bill, bank statement, government check, paycheck, or other government document that shows the name and address of the voter
- Any other form of identification prescribed by the Secretary of State

**VOTER REGISTRATION CERTIFICATE**

- Once you apply, a voter registration certificate (proof of registration) will be mailed to you within 30 days
- Check your certificate to be sure all information is correct (if there is a mistake, make corrections and return it to the voter registrar immediately)
- When you go to the polls to vote, present your certificate as proof of registration
- You may vote without your certificate by signing an affidavit at the polling place and showing some other form of identification (for example; driver’s license, birth certificate, copy of electric bill)
- If you lose your certificate, notify your County Voter Registrar in writing to receive a new one
- You will automatically receive a new certificate every two years, if you haven’t moved from the address at which you are registered.

If you move within the same county simply go to the Secretary of State’s web site and change your address online or promptly notify the County Voter Registrar, in writing, of your new address by:
• Correcting your current voter registration certificate on the back and returning it to the County Voter Registrar
• Filling out a new voter registration application form and checking the "change" box
• Making simultaneous changes to your driver's license and voter registration when you apply for or update your driver's license.

You will receive a new certificate with your new address. You will be able to vote in your new precinct 30 days after your change of address is submitted. If you miss the deadline (30 days before an election), you may vote in your former precinct as long as you still reside in the political subdivision conducting the election.

Your residence is located in a specific "precinct," which is an area within the county. There are many precincts within a county. The place where you will vote on Election Day is located in your precinct. There may be combined precincts in order to accommodate joint local elections; therefore, in some elections you may vote outside your designated precinct. The County Clerk or County Elections Administrator can give you the specific location of your polling place, or you can check on-line to see if the County Clerk or Elections Administrator has that information posted. The Secretary of State’s Office may also provide polling place information at the “Where do I vote” link on its webpage prior to the primary, primary runoff and November uniform election date elections.

If you move to another county you must re-register. Fill out a new application and mail it, or take it in person, to the Voter Registrar of your new county. You may not register online if you move from one county to another. You will be registered 30 days after your application is submitted. You will receive a new certificate.

After changing residence to another county, a person may be eligible to vote a “limited” ballot in his/her new county of residence on candidates or issues common to the old and new counties. A “limited” ballot may be voted only during early voting by personal appearance or by mail (not on Election Day) if:

• The person would have been eligible to vote in the county of former residence on Election Day if still residing in that county
• The person is registered to vote in the county of former residence at the time the person offers to vote in the county of new residence
• A voter registration for the person in the county of new residence is not effective on or before Election Day

Promptly notify the County Voter Registrar, in writing, of the name change using the same steps as for IF YOU MOVE WITHIN THE COUNTY. You will receive a new certificate 30 days after your name change notice is submitted. You may continue to vote during this period. If you do not have your certificate in hand, you may sign an affidavit at the polls and present a form of identification.

COPYRIGHT AND COMPUTER USE POLICY

The School supports enforcement of copyright law for the protection of its employees as both creators and users of copyright protected works. The School requires that staff and students comply with federal law regarding the use of copyright protected materials. In addition, in the spirit of promoting “the progress of science and the useful arts,” the School supports the fair use for such purposes as criticism, comment, news reporting, teaching scholarship or research and reproduction of copyrighted materials (including multiple copies for classroom or library use), for educational purposes as outlined in the federal Copyright Law (PL94-553).

ADMINISTRATIVE RULE

1. This administrative rule is based upon the original Copyright Act of 1976 and the amendments added by the Digital Millennium Copyright Act signed into law in 1998.
2. This administrative rule applies to all staff and students who make use of materials created by entities other than themselves. This includes but is not limited to materials used for classroom teaching, out of class presentations, online distribution, professional conferences, homework assignments, electronic transmission and for school publication.
3. Copyright issues dealing with intellectual property created by staff and students are covered in the administrative rule on intellectual property.
4. The School considers the educational environment to consist of traditional on-campus instruction.
5. Staff and students are expected to comply with copyright law and to apply the fair use criteria to each use of material of which they are not the originator.
6. Unauthorized peer-to-peer file sharing, illegal downloading or unauthorized distribution of copyrighted materials using the institution’s information technology system.
7. The only software programs, other than students’ projects, to be used on systems in the school are those products for which the school owns a valid license or the school may legally use. Copying the school’s software from the computer system is considered theft and is a serious offense. Copying or modifying school software and/or borrowing software from the labs is not permitted. If you have a question, please see the system administrator.

In compliance with the Section 512(2)(c)(2) of Chapter 5, Title 17 of United States Code, the School shall have a DESIGNATED AGENT “to receive notifications of claimed infringement” and
“other contact information which the Register of Copyrights may deem appropriate.” The designated agent for the School will be the School Director.

FAIR USE
Fair Use is the use of a copyrighted work for purposes such as criticism, comment, news reporting, teaching (including multiple copies for classroom use), scholarship, or research.

In determining whether the use made of a work in any particular case is a fair use, the factors to be considered shall include:

1. The purpose and character of the use, including whether such use is of a commercial nature or is for nonprofit educational purposes
2. The nature of the copyrighted work
3. The amount and substantiality of the portion used in relation to the copyrighted work as a whole
4. The effect of the use upon the potential market for or value of the copyrighted work.

The school encourages staff and students to be diligent in the application of the fair use criteria. Through diligent application, school constituents and the School avail themselves of protection from infringement by establishing “reasonable grounds for believing that his or her use of the copyrighted work was a fair use” according to Sections 107 and 504c of United States Code title 17.

CIVIL AND CRIMINAL PENALTIES FOR VIOLATION OF FEDERAL COPYRIGHT LAWS
Copyright infringement is the act of exercising, without permission or legal authority, one or more of the exclusive rights granted to the copyright owner under section 106 of the Copyright Act (Title 17 of the United States Code). These rights include the right to reproduce or distribute a copyrighted work. In the file-sharing context, downloading or uploading substantial parts of a copyrighted work without authority constitutes an infringement.

Penalties for copyright infringement include civil and criminal penalties. In general, anyone found liable for civil copyright infringement may be ordered to pay either actual damages or “statutory” damages affixed at not less than $750 and not more than $30,000 per work infringed. For "willful" infringement, a court may award up to $150,000 per work infringed. A court can, in its discretion, also assess costs and attorneys' fees. For details, see Title 17, United States Code, Sections 504, 505.

Willful copyright infringement can also result in criminal penalties, including imprisonment of up to five years and fines of up to $250,000 per offense.

The administration has sole discretion in determining what action, if any, will be taken against persons violating the provisions of this guideline. Handling of violations to this guideline may vary according to the particular situation. Where the use of the computer is an integral part of the instructional program, violators need to be disciplined immediately and regain access to the computer so that instruction may continue. Disciplinary action may range from a verbal reprimand to legal action.
